

Have you also accidentally posted an unwanted snap and want to remove it immediately? Follow this guide to learn how to delete your Snapchat story from your iPhone in a few simple steps. Let's explore the possible ways to keep your digital diary sleek and selective.

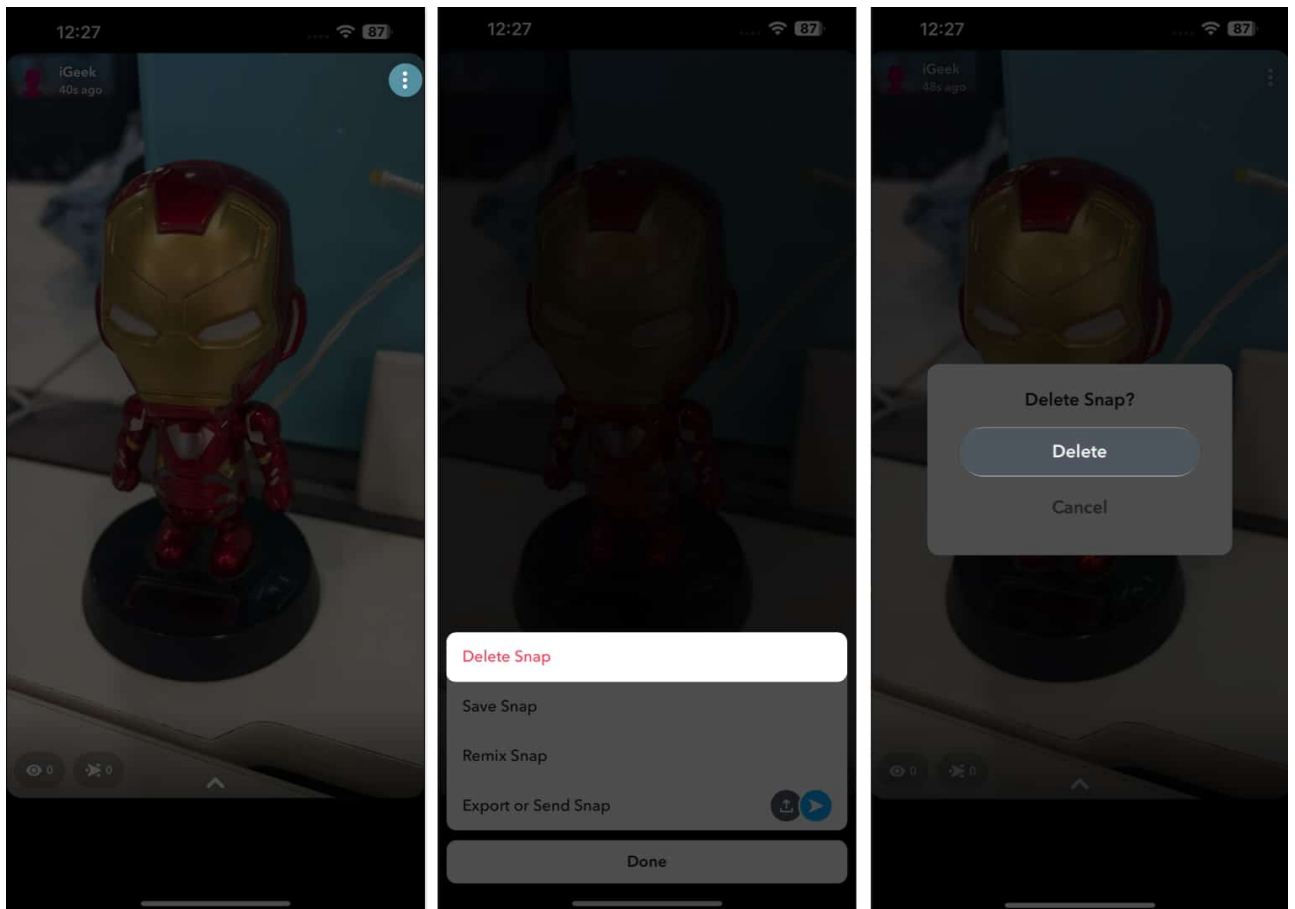

How to delete story on Snapchat on iPhone

1. Launch **Snapchat** → Tap **your profile icon**.
2. Now, select **My Story**.
3. Choose the **story** that you want to delete.

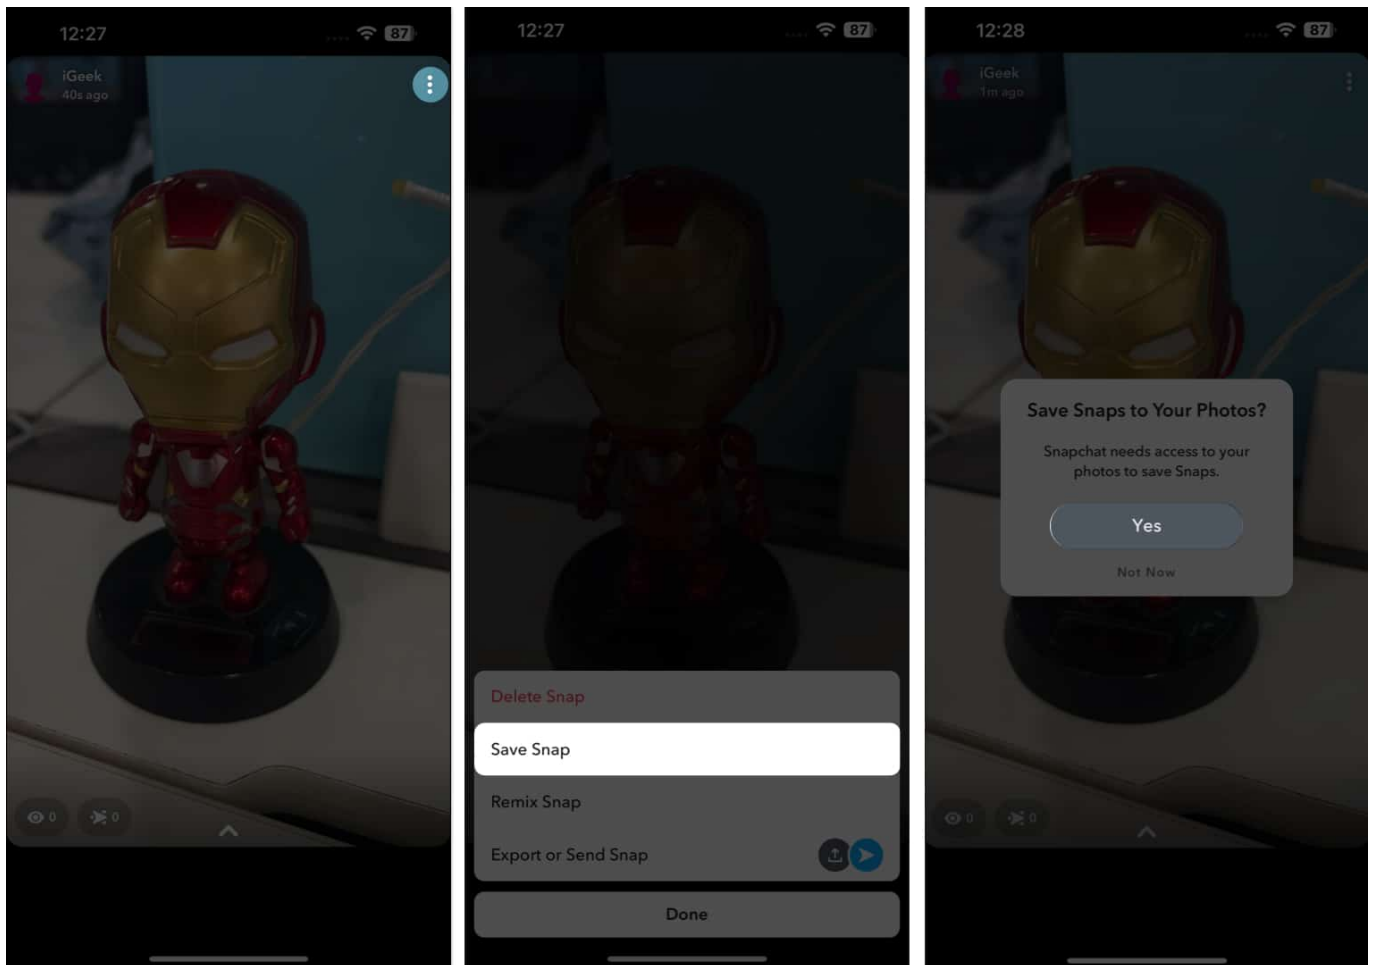

4. Tap the **three-dot icon**.
5. Select **Delete Snap** → **Delete** when prompted.

That's all to delete your public or private story from Snapchat!

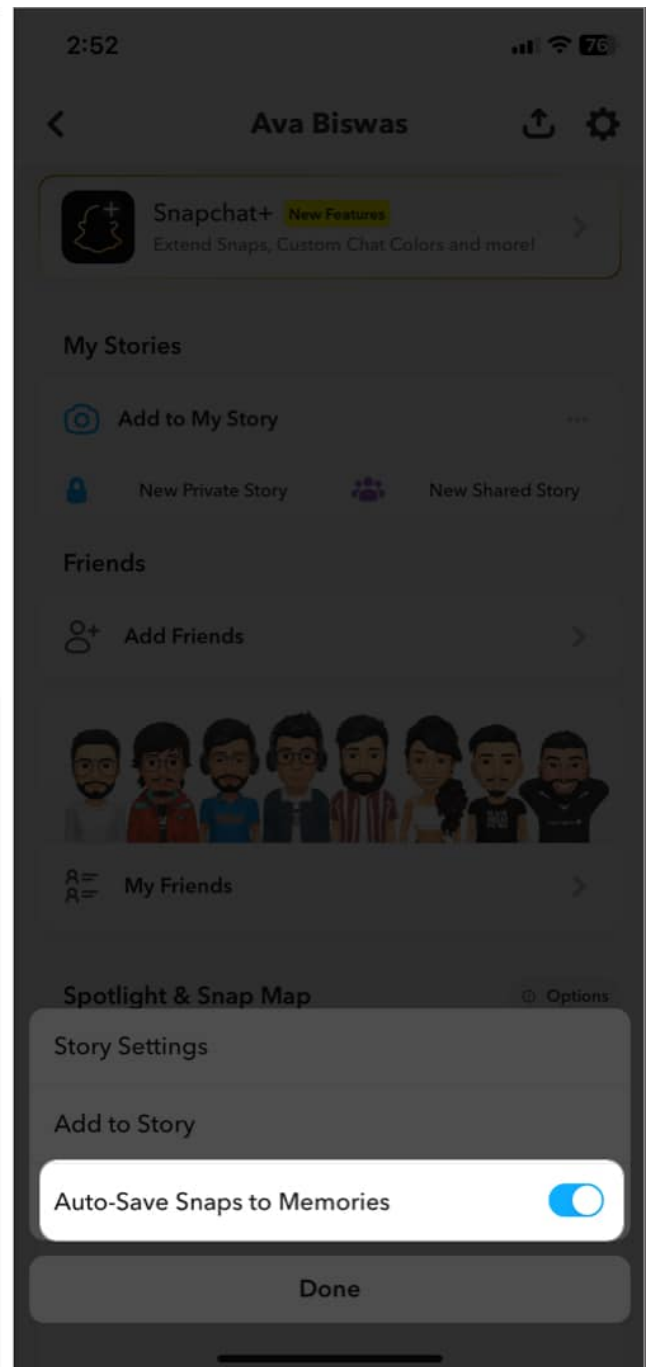

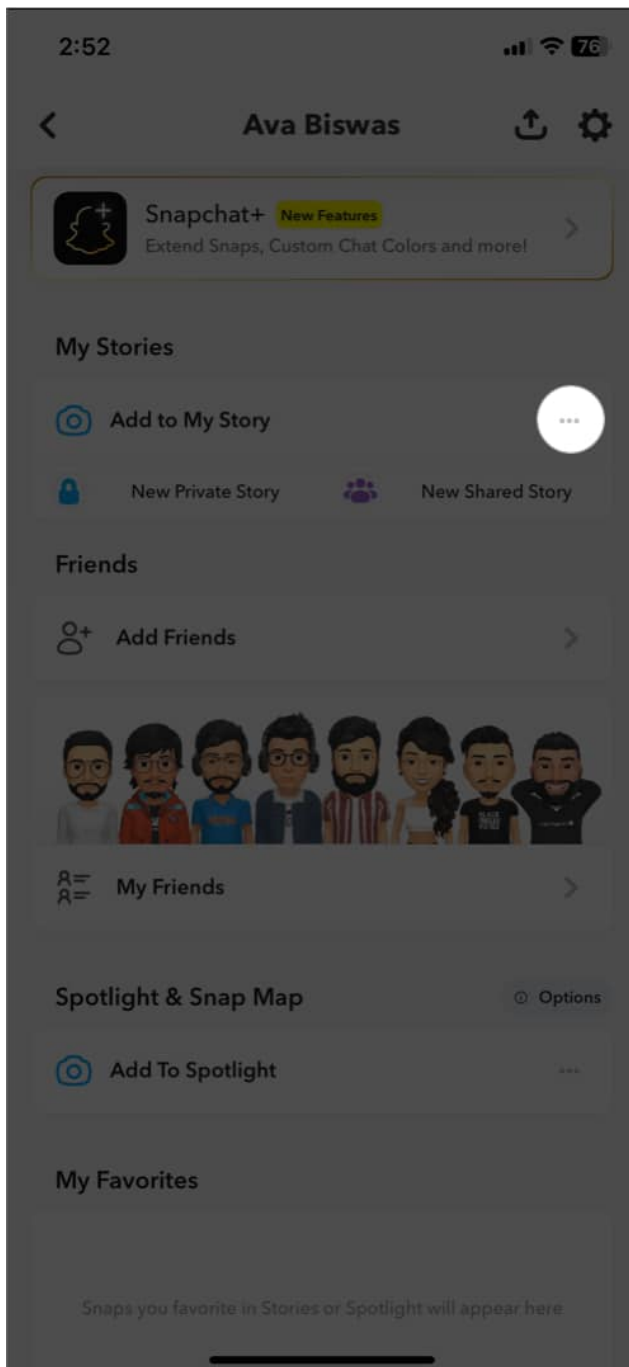

Note: To be on the safe side, saving the Snapchat story before removing it is wise. Simply tap the **three-dot icon** → **Save Snap** → Hit **Yes**. Doing so, the respective story will appear in the Photos app.

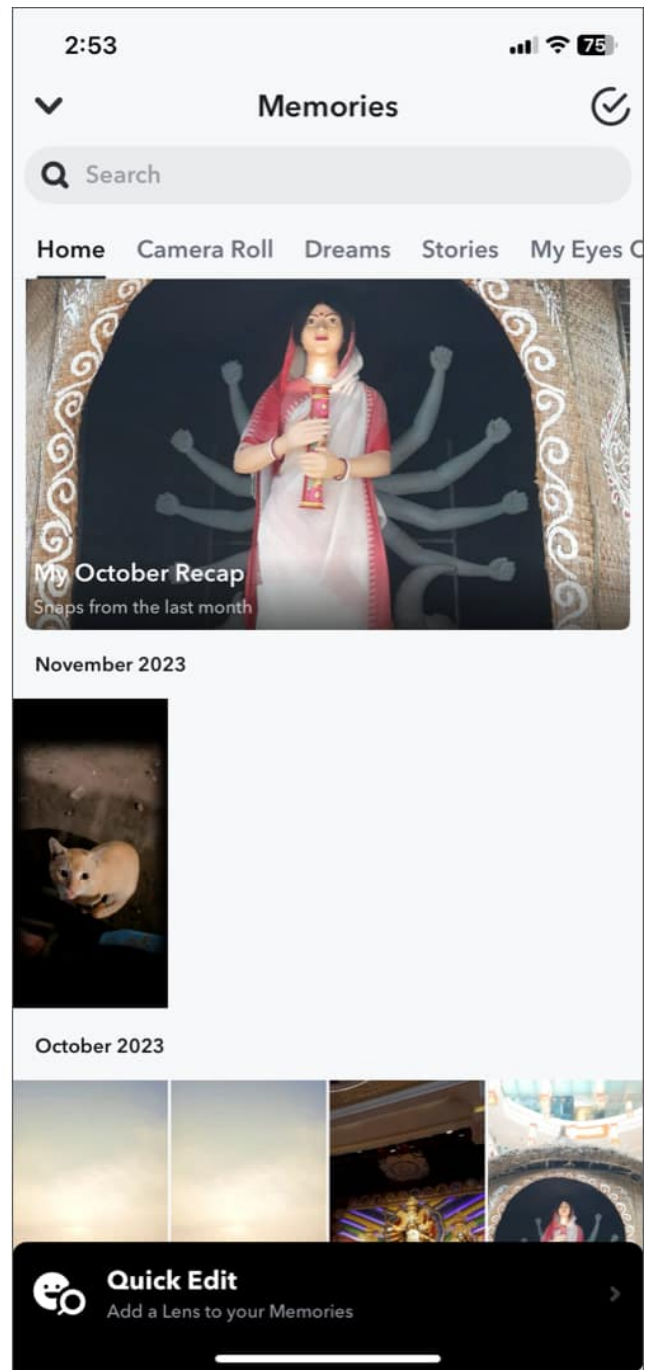

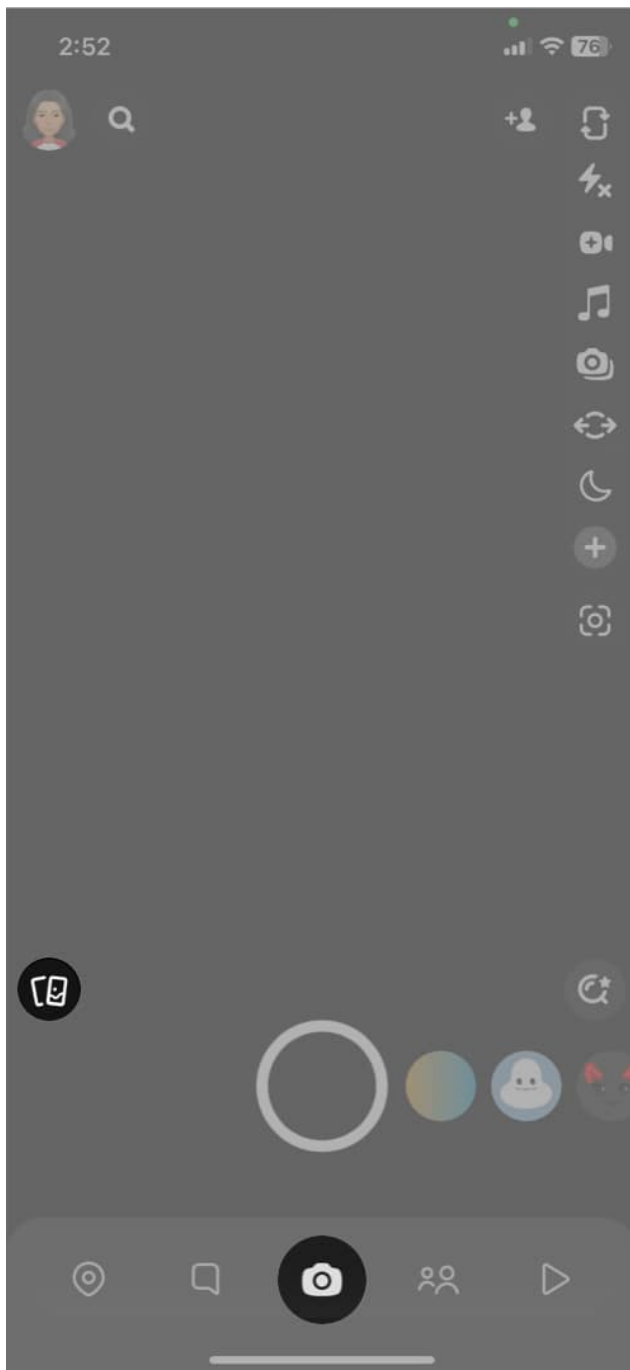

How to retrieve a deleted Snapchat story on iPhone

If you've deleted a story you wish you didn't, here's a hack to always revert your actions.

1. Go to your **profile** in Snapchat → Tap the **three-dots icon** beside My Story.
2. Toggle on **Auto-Save to Memories**.
*So, every time you post a story, it'll be available in the **Memories** section.*

3. Go back to the **camera** interface → Tap the **Album icon**.
4. Select your **deleted story** from Memories.

This step prevents you from manually saving the stories you wish to access later. Furthermore, [downloading Snapchat data on an iPhone](#) is also a feasible option.

FAQs

Can I recover a deleted Snapchat story on my iPhone?

No, once a story is deleted, it cannot be recovered. Make sure you save it before deleting it.

Can I delete a Snapchat story from someone else's account?

No, you can only delete your own Snapchat stories. Others have control over their own content.

How often can I delete and re-upload a Snapchat story?

While there's no strict limit, avoiding excessive deletion and re-uploading is a good idea, as it may annoy your friends and followers.

Keep snapping responsibly! ☐

These are the effortless ways to remove Snapchat stories before they expire. I hope you found what you were looking for.
