

Apple Gift Card is useful as it lets you buy apps and subscriptions on Apple platforms. When you redeem gift cards, it is added as credit to your Apple ID balance. Importantly this credit can not be shared with family members even if you use Family Sharing. So, if you have App Store or iTunes Gift Card is given to you on holiday, here are multiple ways to redeem it on iPhone, Mac, PC, and even Android.

What can you buy with an Apple Gift Card?

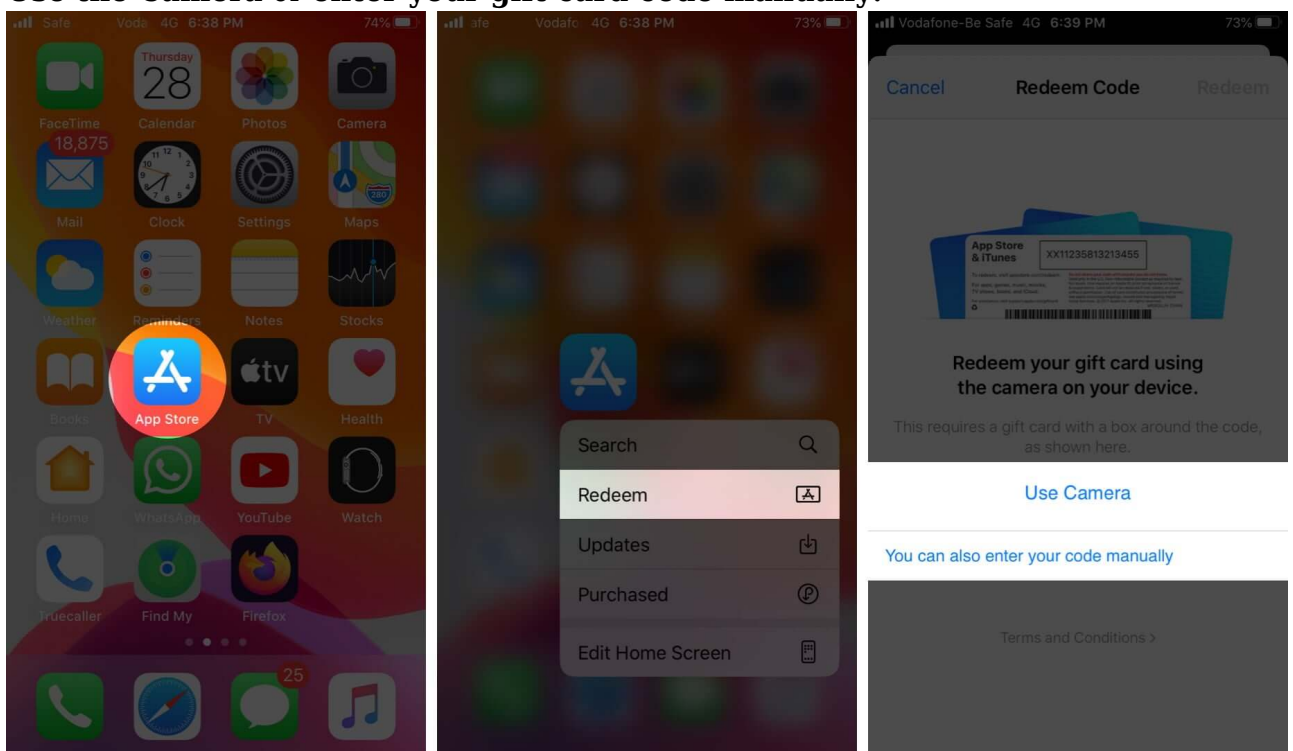

You can redeem and use App Store and iTunes Gift Card to buy apps in the App Store, buy music, movies, shows, books, etc. from iTunes Store, Apple TV app, and Books app. Further, you may use it for [subscription services](#) like Apple Music, Apple Arcade, Apple TV+, News+,

Apple TV channels, and iCloud plan. Now that you have an idea about it, here is how to redeem Apple Gift cards on various devices.

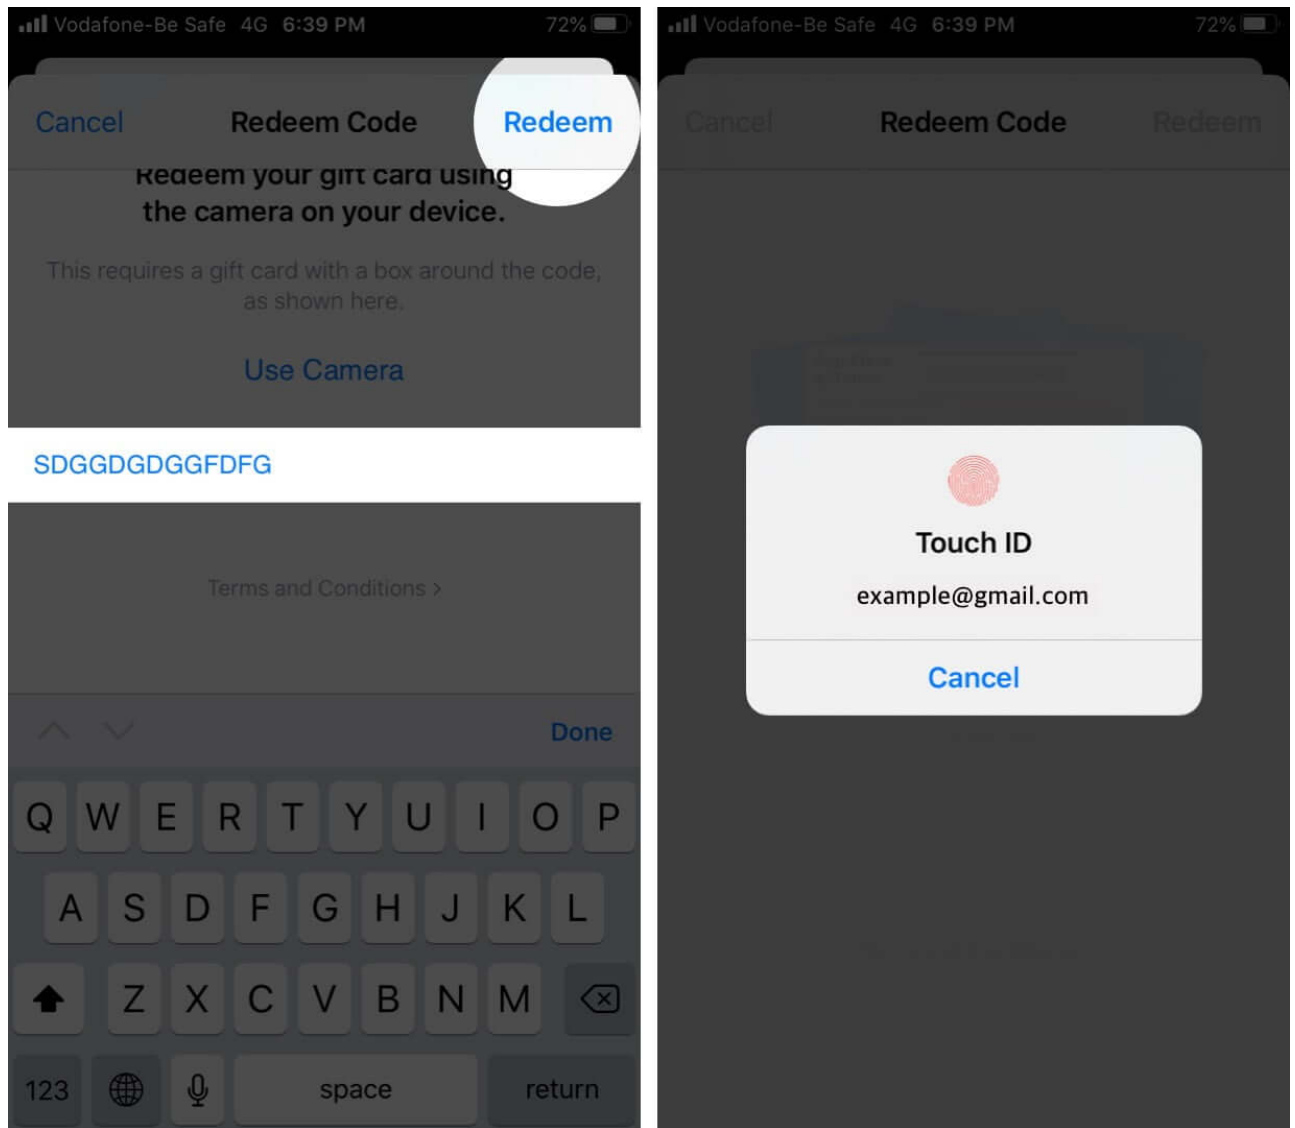

How to Redeem App Store & iTunes Gift Card on iPhone and iPad

You can use the App Store, iTunes Store, or TV app to redeem a gift card. You only need to do it once in any app. Then it is added to your Apple ID balance, and you can use it anywhere.

1. Long press on the **App Store** or iTunes Store icon and then tap **Redeem** from the pop-up. Or, open App Store or iTunes Store and scroll to the end
2. Tap on **Redeem**.
3. **Use the Camera** or **enter your gift card code manually**.

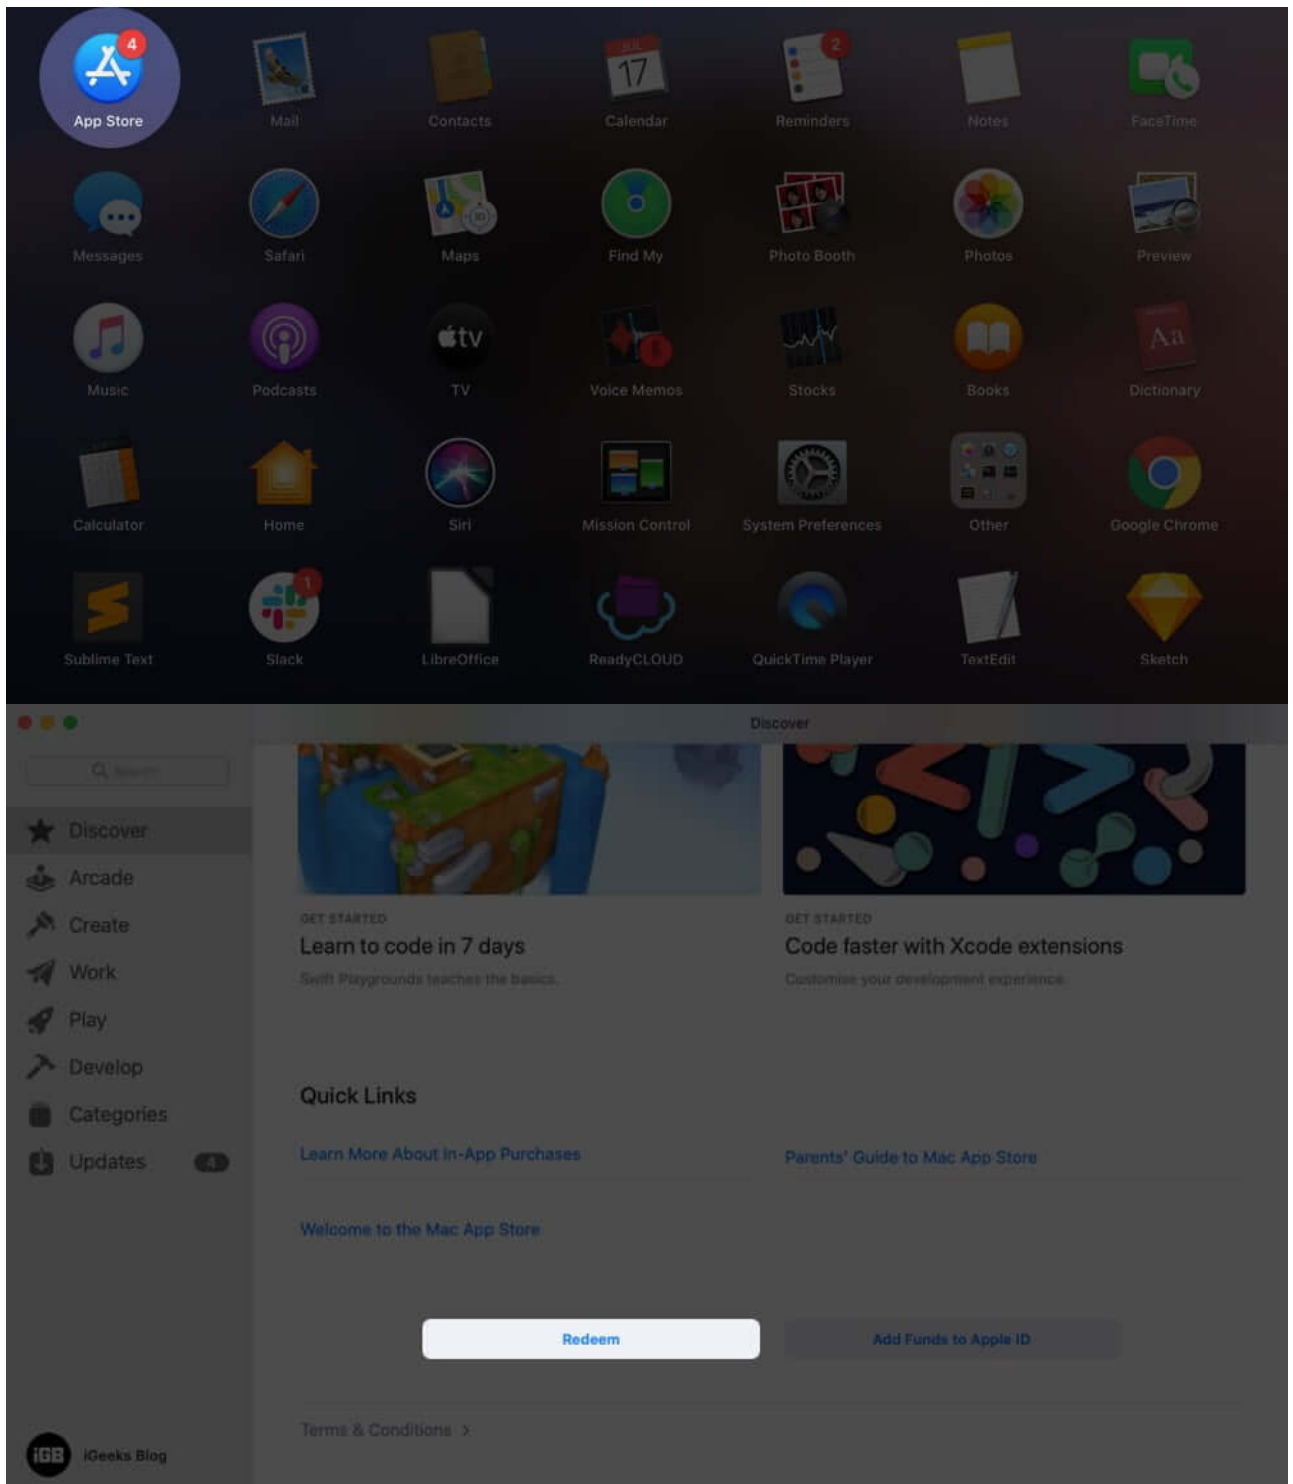

4. Finally, tap **Redeem** from the upper right and use **Touch ID/Face ID** or enter your Apple ID **password** if asked.

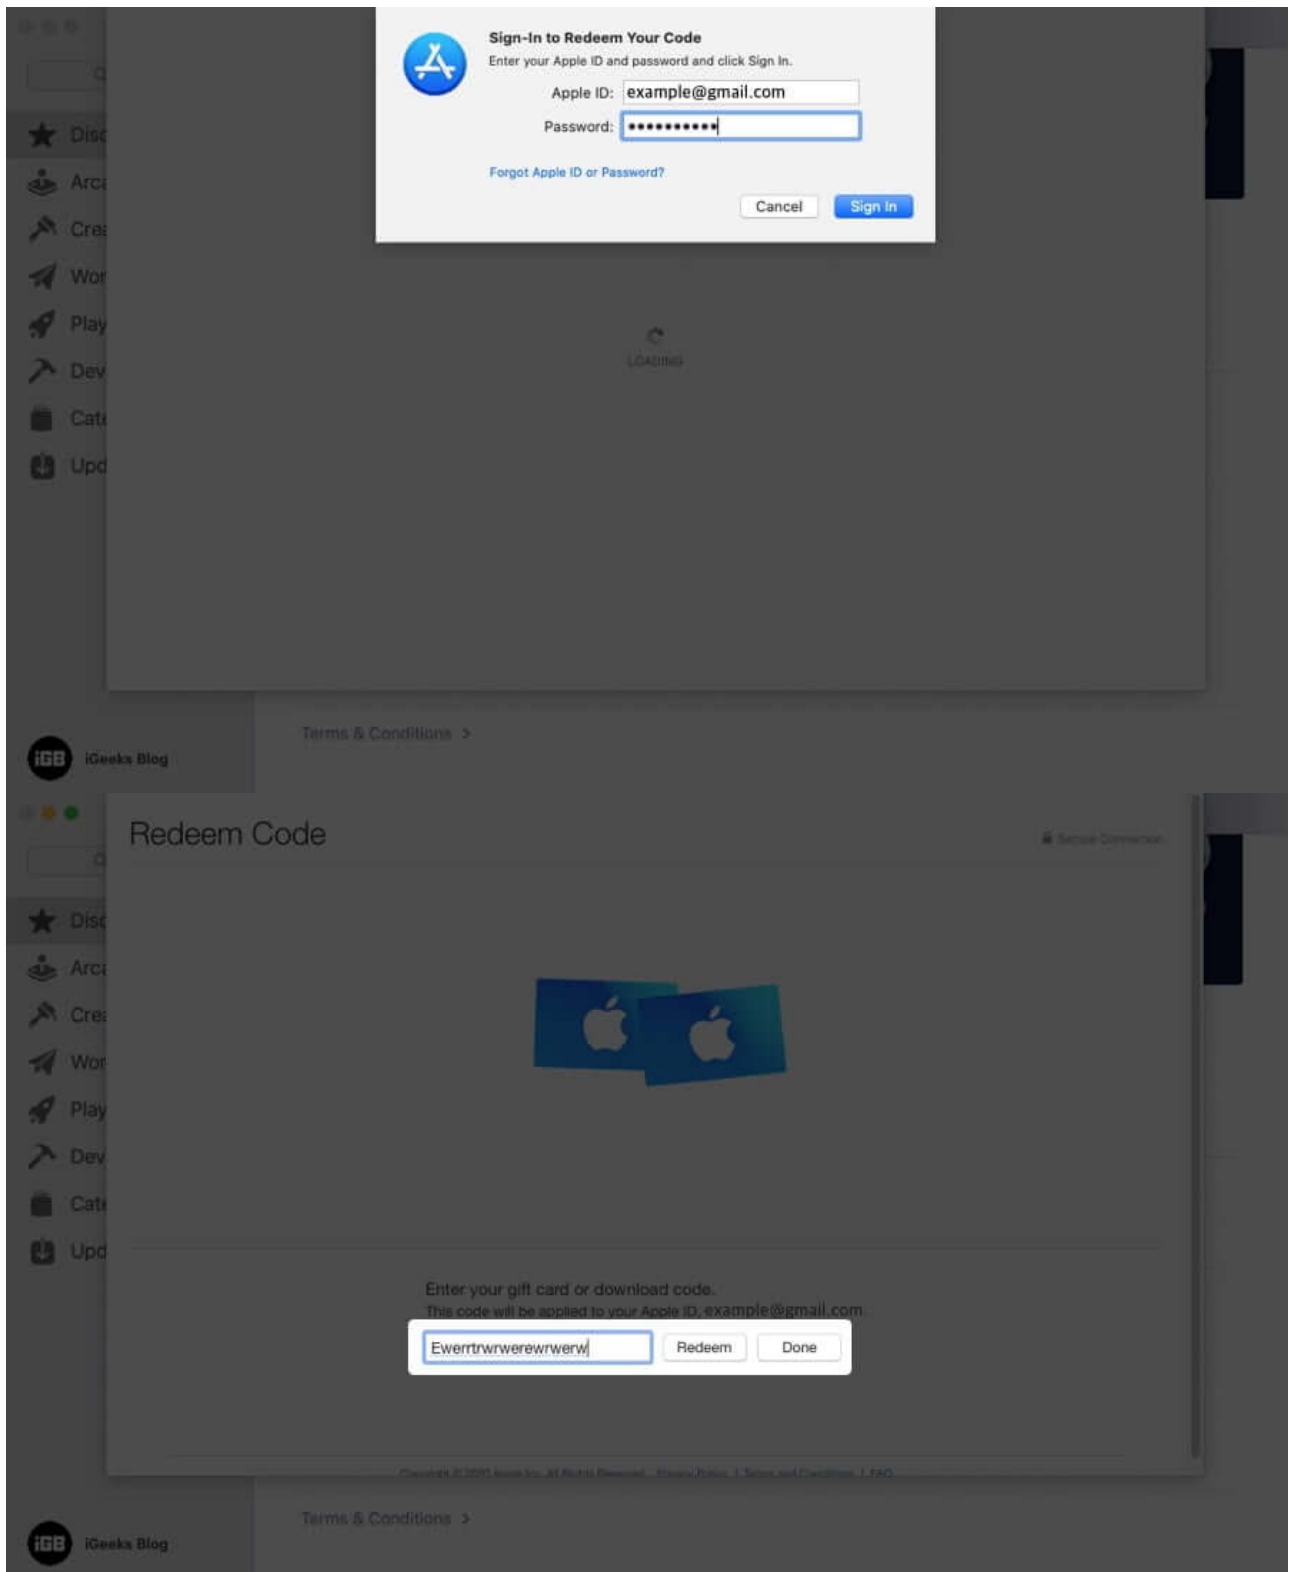

The gift card balance will be successfully added to your Apple ID.

How to Redeem App Store & iTunes Gift Card on Mac

1. Open the **App Store** on your Mac
2. Scroll down to the end and click on **Redeem**.

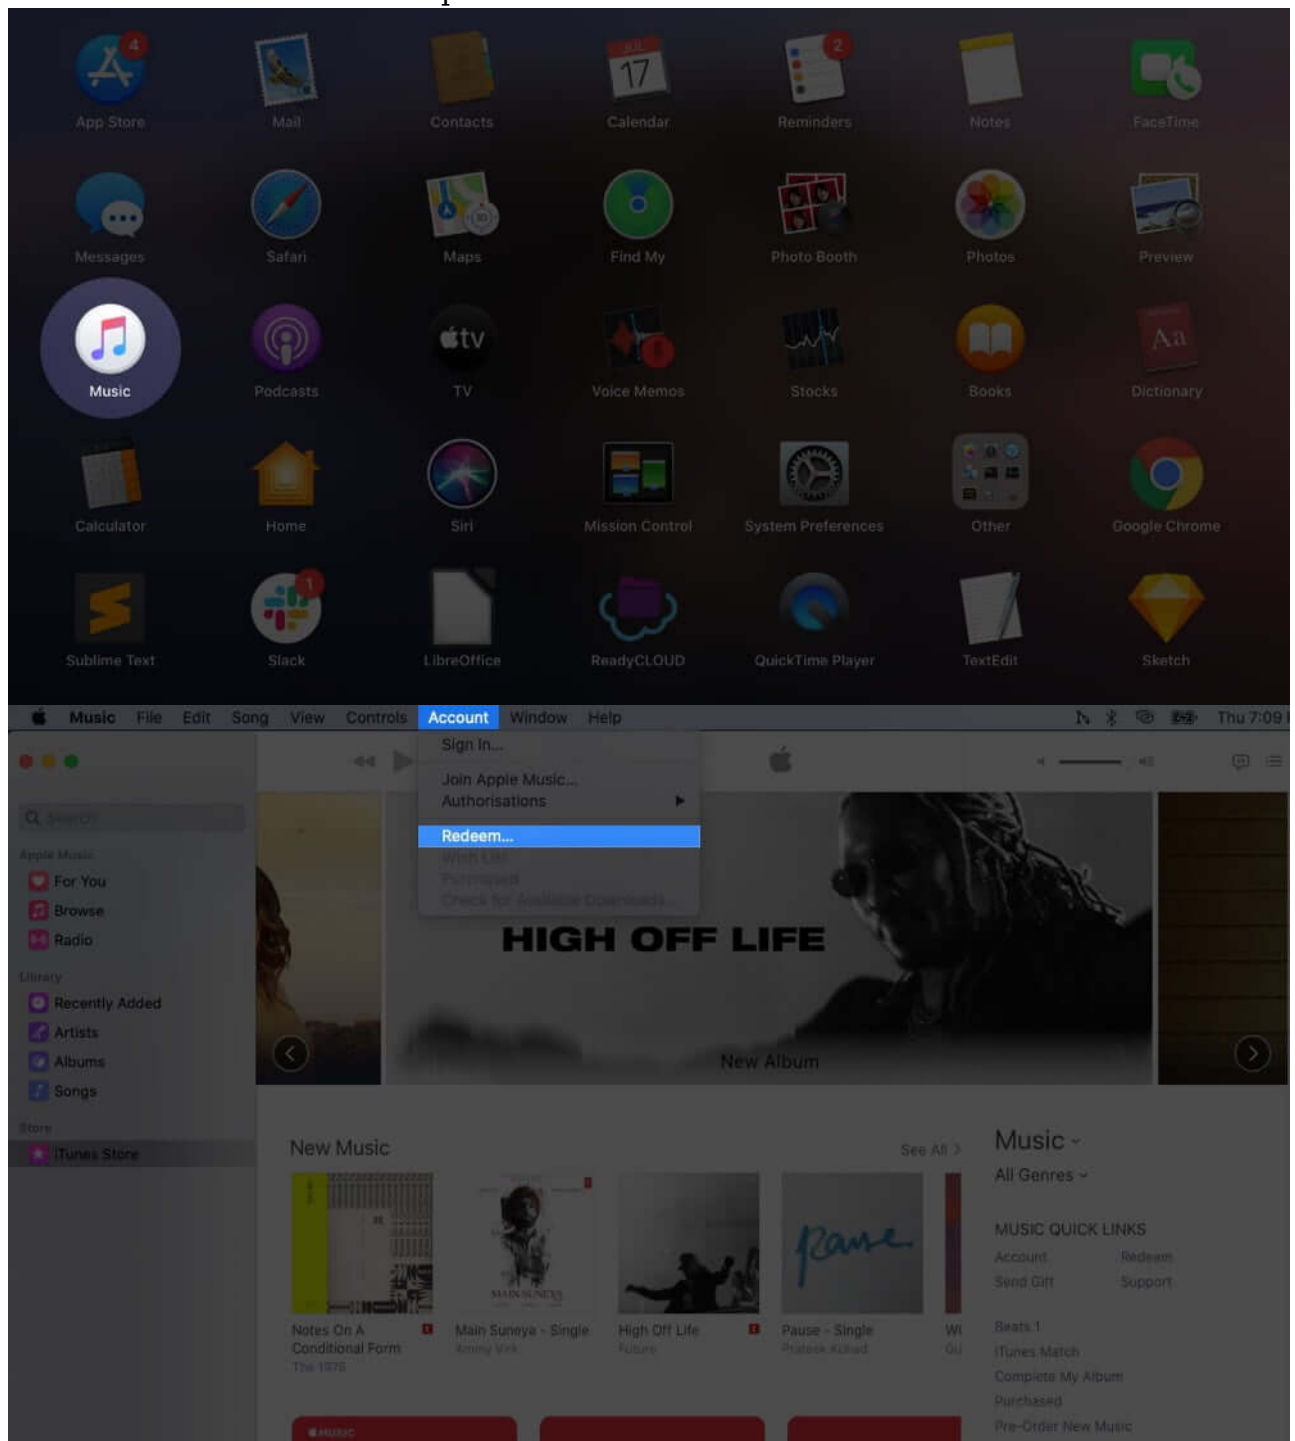

3. Enter your Apple ID if asked. Manually enter the code and click on **Redeem**.

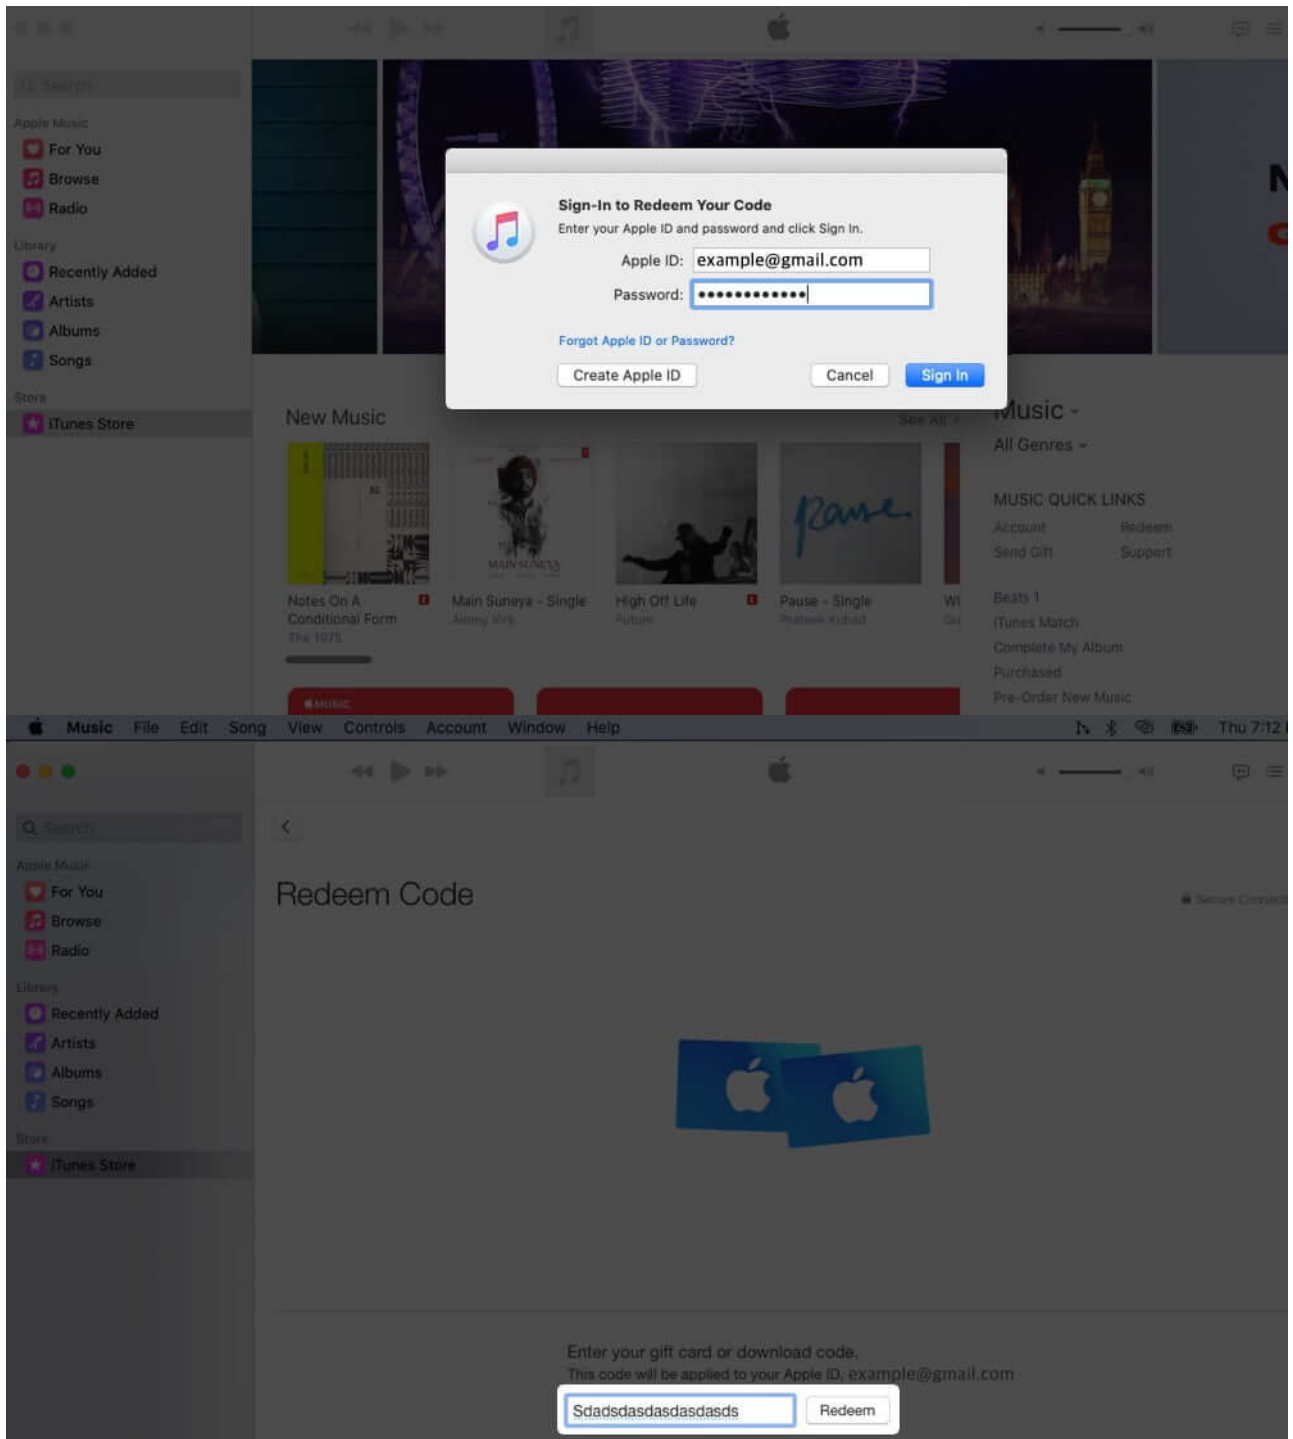

Using Music or TV app

1. Open Music or TV App on Mac
2. Click on **Account** from the top menu bar and then click on **Redeem**.

3. Enter your **Apple ID password** if asked. Type in the gift card code and click on **Redeem**.

How to Redeem App Store & iTunes Gift Card on Computer

1. Open **iTunes** on Windows PC
2. Choose **Account** from the menu bar at the top
3. After that, choose **Redeem**. Then sign in with your Apple ID and follow the on-screen instructions

How to Redeem Apple Gift Card on Android

Don't be surprised! Apple Music is available even for Android, and you can use a gift card for Apple Music subscription. Here is how.

1. Tap on the menu button (**three vertical dots**) in the Apple Music Android app
2. Then Tap **Account**.
3. Tap **Redeem Gift Card or Code**.
4. Finally, enter the code and then tap **Redeem**.

If you received an App Store & iTunes Gift Card by Email

In case you have received a gift card by email, open the email and tap or click on the Redeem Now button.

How to Check Apple Gift Card Balance

As stated earlier, you can buy several things with a gift card. It is not necessary to spend a gift card only for one purchase. You can use it to buy several apps and subscriptions accordingly. After spending some part of the gift card, you may want to know the remaining balance.

That's all, mate!
