Using stickers in iMessage provides a great way to add an expressive twist to your conversations. Whether you're sending heartfelt wishes, sharing inside jokes, or expressing disbelief, there's a sticker pack out there to convey it all. The good thing is, if you find an amazing pack, you can easily gift that iMessage sticker pack to your friends or family.

In this guide, I'll walk you through the simple process of sending an iMessage sticker pack as a gift on iPhone and iPad. Additionally, I'll offer some pro tips to help you find the best iMessage sticker packs worth gifting.
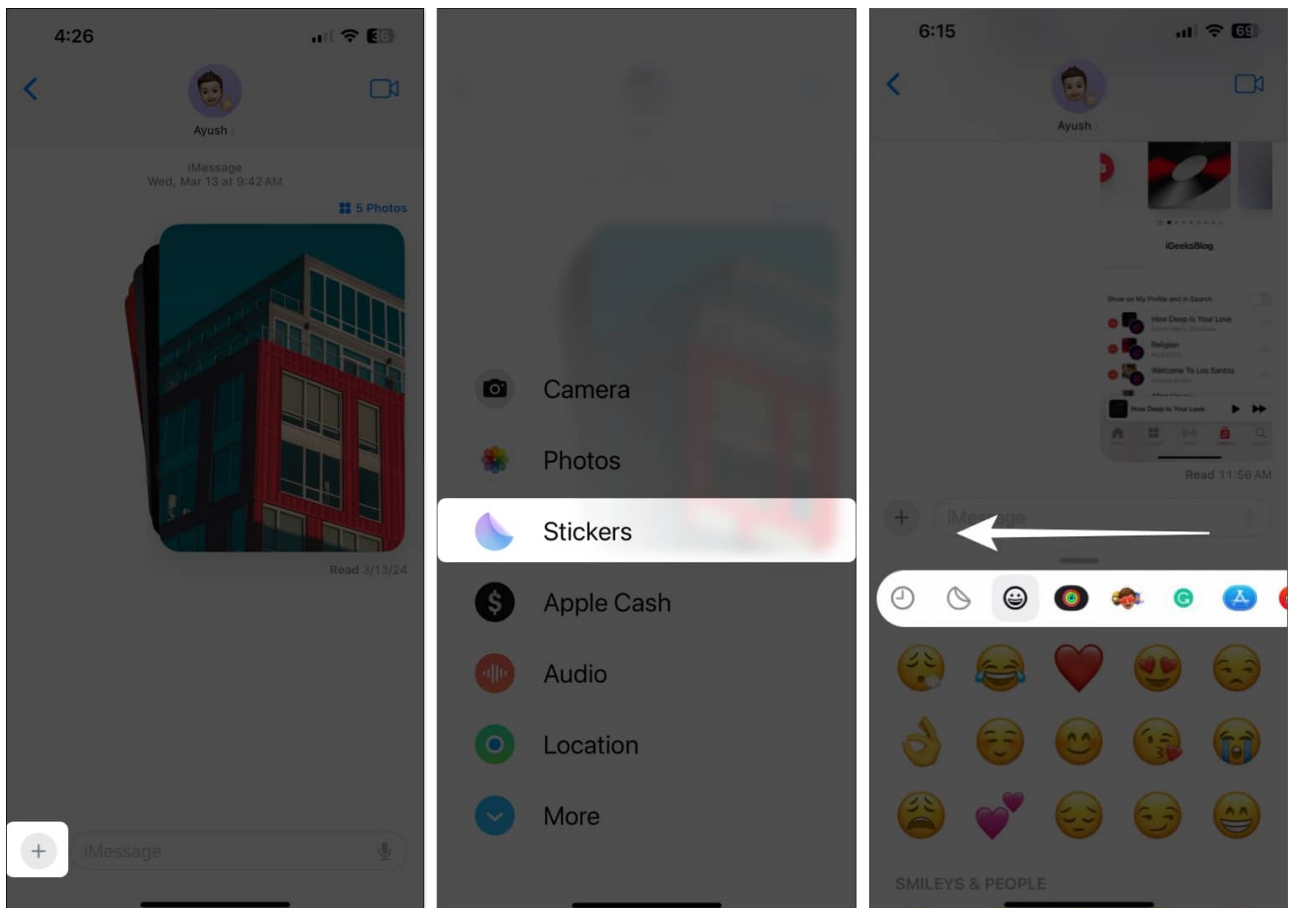

How to send iMessage sticker pack as a gift

Sticker packs in Messages are basically [iMessage apps](#) that you can download and use as usual. Therefore, the steps to gifting an iMessage sticker pack are similar to gifting a paid app. Here's how you do it:
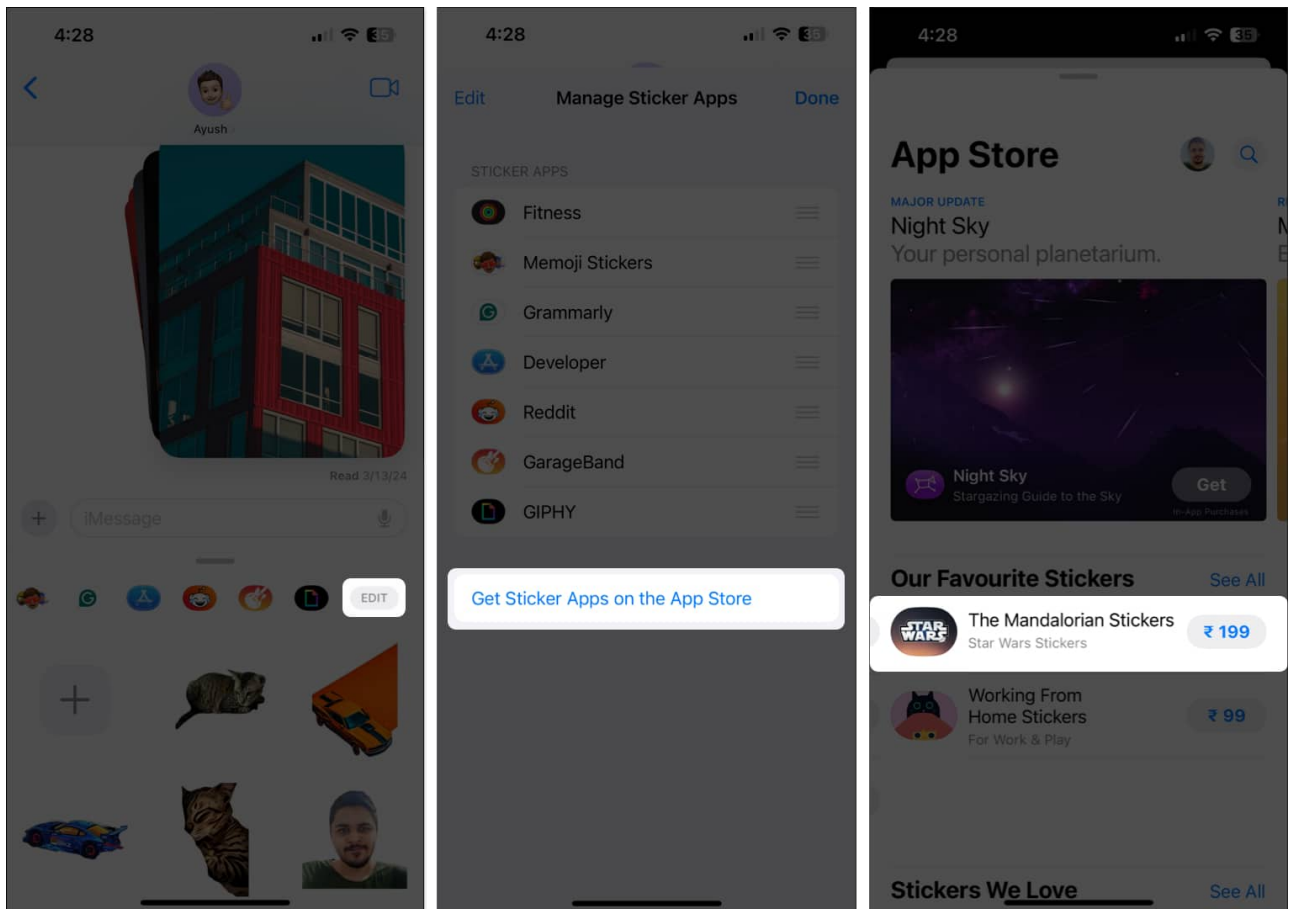

Note: You can send iMessage sticker packs as gifts only to recipients in the same region as you.

1. Locate and open the **Messages app** on your iPhone or iPad.

2. Open **any conversation** → Tap the **plus icon** next to the text field.
3. Tap **Stickers → Swipe right to the left** on the top bar to view the available sticker packs.

4. Now, select **Edit** at the end of the bar → Pick **Get Sticker Apps on the App Store**.
5. Find and open a **paid iMessage sticker pack** you wish to send as a gift.
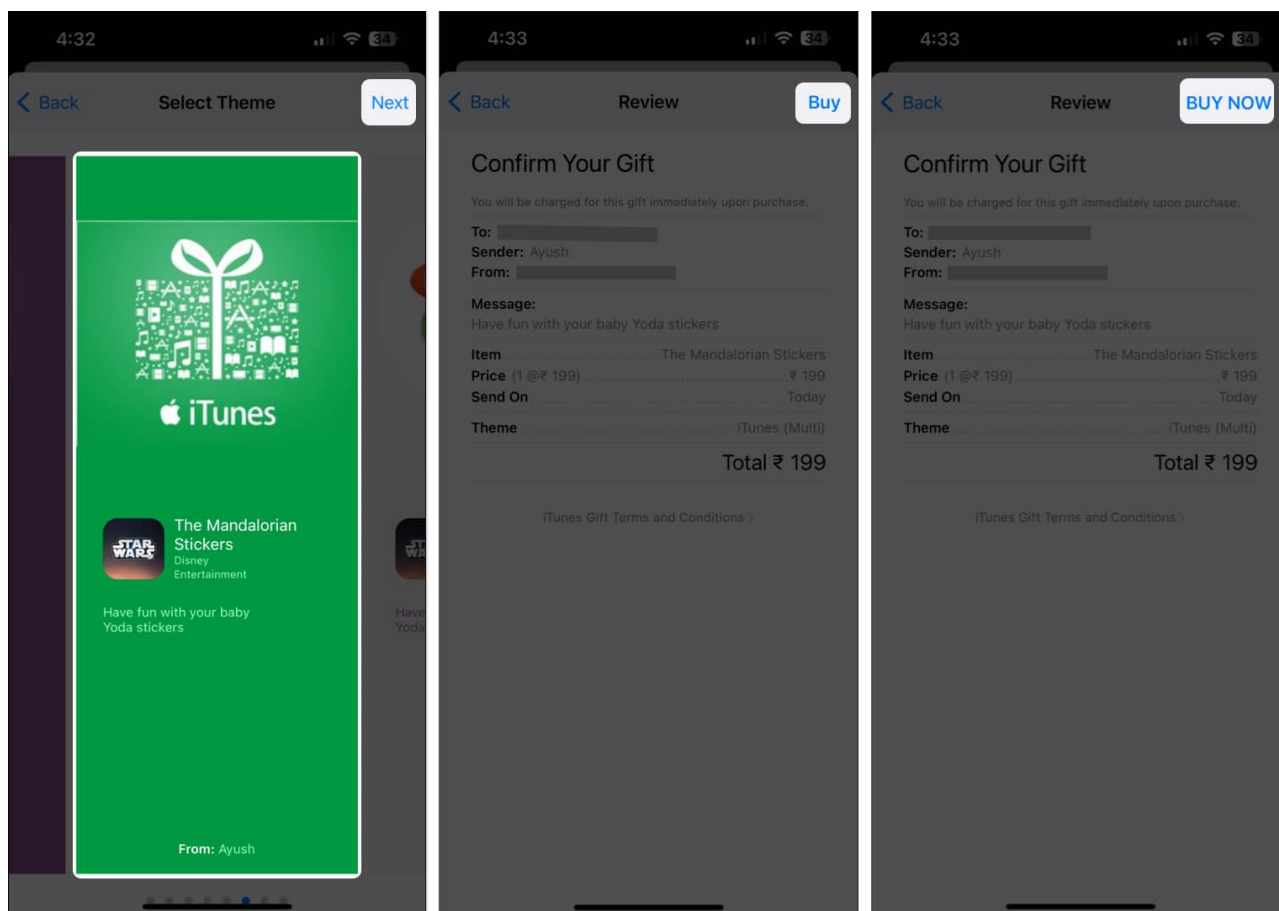

6. Tap the **Share icon** located on the right-hand side → Then, select **Gift App**.
7. Now, enter the **email** of the person to whom you wish to send the sticker pack.
8. Optionally, you can add a personalized **message** → Select a **date** to send the gift.
9. Select **Next**.

10. Now, scroll horizontally to **select a theme** for the sticker pack cover → Then, tap **Next**.
11. Finally, **review the payment details** for the gift → Then, tap **Buy** → **BUY NOW**.

The recipient will get an email notification and can quickly download the sticker pack to add it to their sticker collection in the Messages app.

For a smoother transaction, make sure you have [added sufficient funds to your Apple ID](#) beforehand.

If you don't want to share paid sticker packs, you can follow steps 1-4 → Pick a **free sticker pack** → **Share** it with your contact. As easy as that!
